Section 504 of the Rehabilitation Act of 1973 is a federal statute intended to eliminate discrimination on the basis of a disability in any program or activity receiving federal financial assistance. Regulations for Section 504 require periodic re-evaluations. LISD has established 3 years as the timeframe in which a 504 Committee must re-evaluate a student. The Campus 504 Committee will meet to re-evaluate your son/daughter to determine if he/she continues to have a disability which substantially limits one or more major life activities. If your son/daughter continues to be eligible, the Campus 504 Committee will review all information to determine if there is a demonstrated need for any individualized supports or services to access his/her education and/or what changes may need to be made to the existing plan.

A copy of Notice of Rights regarding Section 504 of the Rehabilitation Act of 1973 and Title II is enclosed.
